

ENVIRONMENTAL AND BIODIVERSITY POLICY

In line with the company's vision to remain as a **Sosial Enterprise Powerhouse** in the agricultural and food sector, FELCRA Berhad is committed to ensure all of its operating unit is managed responsibly towards the environmental and biodiversity.

FELCRA Berhad will manage the environmental and biodiversity impact of its operations to the best degree possible. FELCRA Berhad is committed to;

- Comply with all applicable environmental and biodiversity legislation, regulation, and standards.
- Continually improve the quality of operations toward sustainable development.
- Reduce the environmental or adverse impacts on all activities within the FELCRA Berhad area.
- Provide environmental training and promote environmental awareness to our employees to enhance their understanding on environmental conservation and biodiversity.
- Ensure our stakeholders are aware and committed to environmental conservation and biodiversity protection.

(MOHAMED ISMI BIN ABDUL MAJID)
CHIEF EXECUTIVE OFFICER
FELCRA Berhad
